

SWEP

A **DOVER** COMPANY

SWEP Dealer

BoosterBel LTD

name of Dealer

Certification is awarded by SWEP in recognition of the Dealer's high level of product knowledge and customer service. This SWEP Dealer can provide expert advice on compact brazed plate heat exchangers (BPHEs): the calculations involved, their specifications and practical applications.

SWEP Dealers also benefit from SWEP's smart logistics solutions, enabling rapid, reliable delivery to their customers. SWEP Dealers are closely supported by SWEP, one of the world's leading manufacturers of BPHEs.
